

Professional Opportunity Developers

Have you:

- **Managed or supervised employees?**
- **Felt a need to network with other professionals and executives to enhance your job search?**
- **Found yourself looking for new employment opportunities?**

If so, then POD may be what you need.

Professional Opportunity Developers (POD) is an organization of professionals, executives and managers dedicated to improving career opportunities through education, networking and referrals.

The mission is to provide professionals with a confidential and respectful environment for the purpose of finding employment and enhancing personal and professional growth.

Our goals are to:

- Enhance professional networking opportunities,
- Access community contacts,
- Foster confidence through shared experiences, and
- Promote Workforce Network resources.

**We meet informally (no registration required) every
Wednesday at Noon at the Workforce Network office, 211 Fulton Street, Peoria.
